

## Call for Expressions of Interest - "Digital Display"

Dear Dance Artists,

### **Are you interested in creating a 3 to 5 min short film of your work?**

To mark this year's International Dance Day (29th April 2021), ODF is trialing a new programme of activity we're calling "Digital Display" to support you in creating a 3-5min short film.

To that effect, ODF has secured:

- **access to the stage/theatre area** of the [North Wall](https://www.thenorthwall.com/your-visit/visiting-companies/) on **International Dance Day, 29th April 2021**, including the collaboration of their **in-house lighting technician** (specs of the theatre, here: <https://www.thenorthwall.com/your-visit/visiting-companies/>)
- hire of a **professional videographer** to film on 29th April and thereafter edit the footage - the videographer will bring two cameras.
- (tbc) hire of a **photographer** for the day

Given the covid restrictions and the need to keep everyone safe, access will be offered to **3 individual dance artists, each accompanied by a maximum of 2 people**, and each allocated a **2-hour time slot** (10.30-12.30; 13.00-15.00; 15.30-17.30).

All non-performers will be required to wear face masks, and all social distancing rules will apply (including in performance, except between those in a bubble). The 30min change-over time will be used to clean and ventilate between groups.

Present on site on the day will also be: the North Wall house manager, and one member of the ODF steering group.

Due to time constraints ODF will ask you to prepare a schedule of how you would use your allotted time slot.

This **outline of your plan of action for a 2-hour slot, along with your initial plans for the film**, will be presented to the **videographer who will help the ODF steering group decide which 3 artists** will be offered the available time slots.

**If you're interested in applying, please check out the application form [here](#).**

**Deadline for applications: Tues 23rd March 2021**

**Outcomes of the applications will be shared on Tues 30th March 2021**

*Please note the short films and photographs resulting from the day will be owned by the dance artists, but ODF will reserve the right to use them in promotional material for ODF, and as a testimony to ODF's activities.*

*ODF will subsequently plan an online launch event for the films, and the North Wall has evoked the possibility of featuring them on their website.*

If all runs well and the take-up is good, the ODF steering group will naturally look at organising such an opportunity again.

**Please note, this offer is only open to ODF members.**

Finally, a quick reminder that ODF members can also benefit from the **“Breathing Space” offer** - as soon as the lifting of restrictions allows (currently: no sooner than 29th March). Through this offer, ODF members can access block bookings of 3 hours for creative research/rehearsal at Arts at OFS. The first 3 hours are FREE and you can book a further two 3-hour slots, which ODF will subsidise and artists will be asked to pay a contribution of £10 per session.

**Do you have any questions about “Digital Display” or “Breathing Space”?**
